Centres

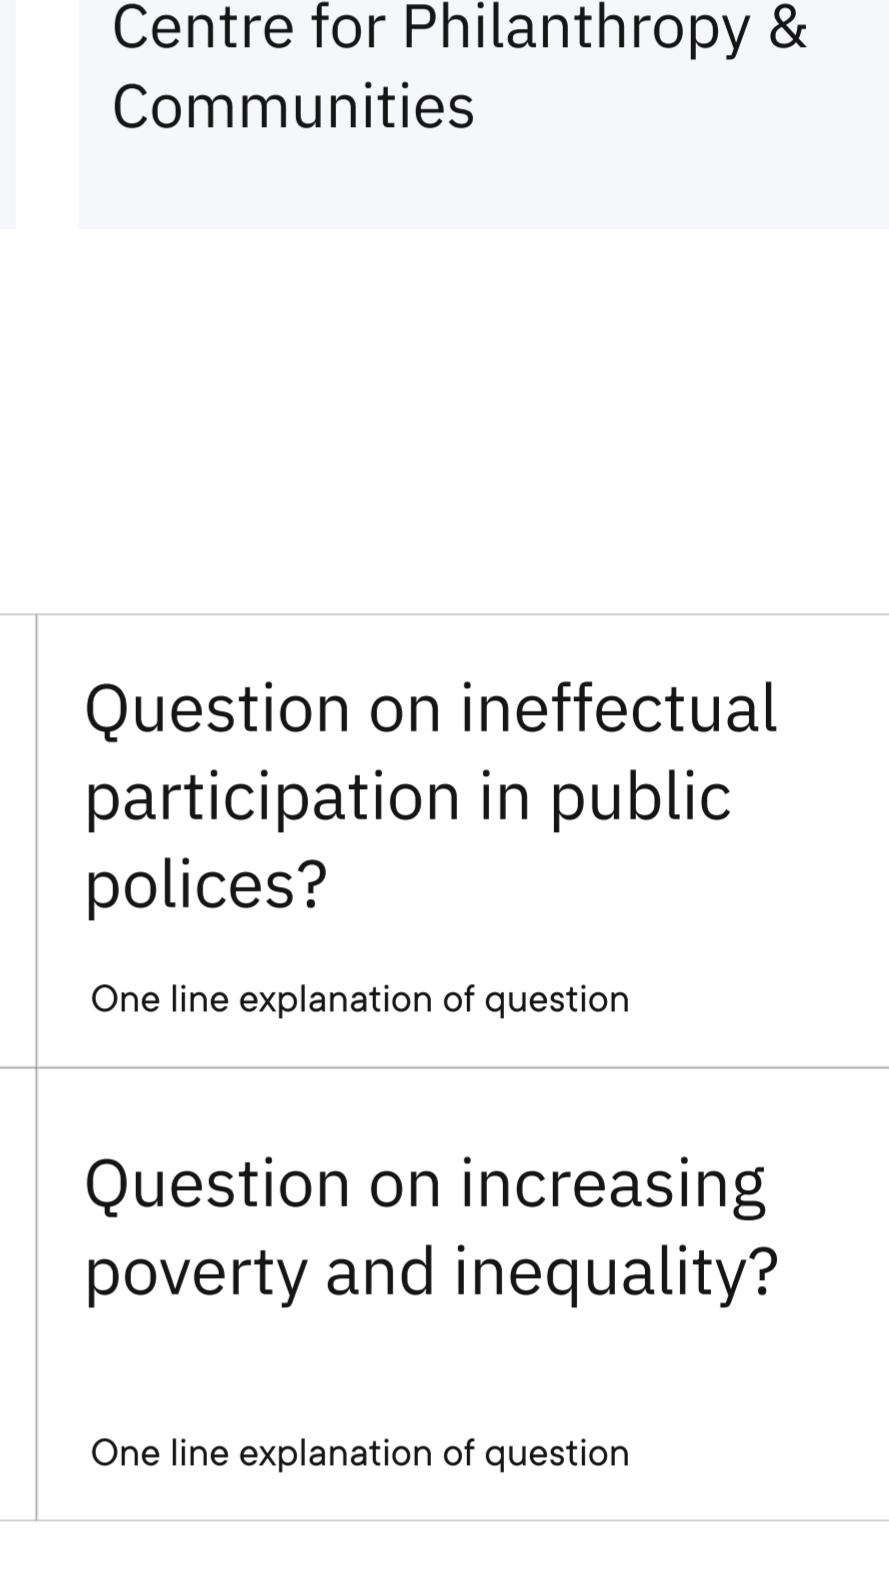

SIVIO takes a data drive, citizens-centred approach to defining democracy. We focus on catalysing a citizen-led democracy across the domains of Public Policy & Advocacy, Philanthropy & Communities as well as Entrepreneurship & Financial Inclusion

Centre for Public Policy Analysis & Advocacy

Centre for Entrepreneurship & Financial Inclusion

Centre for Philanthropy & Communities

Questions

What questions are we tackling that address some of the complex challenges of inclusive societies in Africa?

Question on increasing poverty and inequality?

One line explanation of question

Question on ineffective polices

One line explanation of question

Question on ineffectual participation in public polices?
